

Our school's mission is complex:

- ✚ It is a school opened to all the students, regardless of sex, religion, social status and other discriminatory criteria, but also to people who wish to develop themselves, to receive information
- ✚ It is the place where every student is encouraged to manifest its creativity and develop its personality
- ✚ Our school ensures the best and the safest opportunities for education, mental and intellectual development, according to the needs of our local community and our society
- ✚ It is opened to all the citizens who strive for personal and professional development, particularly to our students' parents

GENERAL SCHOOL NO. 3 ROVINARI

NEWS:

We are the winners of the National Competition *EUROPEAN SCHOOL 2012*, being one of the 4 winner schools from Gorj County.

SHORT HISTORY

General School No. 3 Rovinari, from Gorj, Romania, was founded on the 1st of September 1988, being one of the 3 educational units in the city.

The education process was held with a number of 871 students, in 3 shifts, until 1998. At the beginning of the 1998-1999 school year, the school moved its headquarters in Number 1, Muncii Street, where the educational process takes place currently. In present the school has 453 students and it functions in 2 shifts.

The institution is located in the East part of the town; it has a building with 9 classrooms, a library with 5800 books, a Computer lab, a Science lab, a Counseling and Guidance Center.

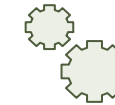

In the school year 2012-2013 the educational activity is carried on in two shifts:

- ✚ the first shift: preparatory grade and primary school (9 grades),
- ✚ the second shift: secondary school (8 grades).

The aim of the school is the attainment and the consolidation of a superior position on the educational market in the local competitive context.

Our school believes in improving the instructive methods by involving actively the parents in the educational activities. Each grade has a Parents' Committee. The School's Parent's Committee and the Student's Representative Council are consulted by the managerial team each time it's necessary.

We can also mention other educational partnerships such as:

- ✚ *Education for all, education is your chance*
- ✚ *Extracurricular education for an active citizenship*
- ✚ *The school of life through role playing- a county educational competition*
- ✚ *Think Eco - extracurricular activities*
- ✚ *Together for our safety*
